ORCID: [0000-0002-5818-8283](https://orcid.org/0000-0002-5818-8283)

March 2022

Born: November 5, 1980—Nottingham, UK

Nationality: British

Current position

Visiting Researcher, Erasmus University, Rotterdam, Netherlands

Professor of Social Science and Public Policy and Director of Center for Aging Science, The Hong Kong University of Science and Technology, Hong Kong

Areas of specialisation

Demography (esp. fertility, ageing, population policy; regional focus on Asia) • Social policy • Public policy

Education

2015	PGDIP in Teaching and Learning in Higher Education, University of Oxford, UK
2008	PHD in Historical Demography [ESRC studentship], University of Cambridge, UK
2003	MPHIL in Economic and Social History [ESRC studentship], University of Cambridge, UK
2002	BA(HONS) in History, University of Cambridge, UK

Previous appointments held

2017-19	<i>Associate Professor of Social Science and Public Policy</i> , The Hong Kong University of Science and Technology
2017	<i>Visiting Associate Professor of Social Science and Public Policy</i> , The Hong Kong University of Science and Technology
2013-2017	<i>Associate Professor of Social Policy</i> , University of Oxford, UK
2012-2013	<i>ESRC Research Fellow in Demography and Social Policy</i> , University of Oxford, UK
2011-2012	<i>Postdoctoral Research Officer</i> , University of Oxford, UK
2009-2011	<i>Research Scholar</i> , International Institute for Applied Systems Analysis, Austria
2008-2009	<i>Postdoctoral Research Officer</i> , University of Oxford, UK
2008	<i>Postdoctoral Research Officer</i> , University of Hertfordshire, UK

Publications

METRICS

Google Scholar: 1856 Citations [1407 since 2016]; *h*-index 22; *i10*-index 48.

Scimago: 33 articles in Q1 journals; 14 articles in Q2 journals.

Grants

AS PRINCIPAL INVESTIGATOR [EXTERNAL]

NB: 100HKD = 11EUR

- under review Promoting the Financial and Psychological Well-Being of Domestic Workers in Hong Kong, Collaborative Research Fund, Hong Kong Research Grants Council, HKD8,000,000
- under review Navigation Portal for Informal Carers, Hong Kong Jockey Club Charities Trust Scheme, HKD6,000,000
- 2018-2019 A multilevel analysis of the demography of drug abuse in Hong Kong, Beat Drugs Fund, Narcotics Division, Security Bureau, Government of the Hong Kong Special Administrative Region, HKD377,328 [Plus matched internal funding]. (BDFA18HS01)

- 2018-2019 Developing capacity and international co-operation in therapeutic landscape architecture for an ageing population, Professional Services Advancement Support Scheme, Commerce, Industry and Tourism Branch, Commerce and Economic Development Bureau, Government of the Hong Kong Special Administrative Region, HKD166,224. (PS173007)
- 2017 Less economically developed countries research participation grant, British Society for Population Studies, £2,000. (BSPSLEDC2017)
- 2015-16 Evidence and action for reducing sex-selective abortion in Nepal, Birth Control Trust of the Galton Institute, £9,968. (GIBCT2015a)
- 2015 Less economically developed countries research participation grant, British Society for Population Studies, £1,500. (BSPSLEDC2015)
- 2014 'Celebrating Impact' award prize, UK Economic and Social Research Council, £7,500
- 2014 Less economically developed countries research participation grant, British Society for Population Studies, £2,000. (BSPSLEDC2014)
- 2012-2015 The gap between fertility ideals and reality in East Asia: a mixed-method comparative study of Beijing Municipality and Taiwan, ESRC 'Future Research Leader' grant £170,144. (ES/K001434/1)

AS PRINCIPAL INVESTIGATOR [INTERNAL]

- under review Generations and Gender Survey Wave 1 and SHARE feasibility study for Hong Kong, HKD3,000,000
- 2019-2022 Population sustainability survey pilot project [GGs Urban Asia]. HKUST-GZ Campus Project, HKD1,000,000
- 2015-17 Cities, children and childbearing, OUP/Oxford University Fell Fund Grant, £44,987
- 2015-2016 Impact accelerator award (China migration data sharing), University of Oxford and UK Economic and Social Research Council, £7,500
- 2014-2015 Maximising the social and economic impact of demographic research in Oxford and the UK: a new collaborative blog, University of Oxford HEIF 5+ funded, £16,466

AS CO-INVESTIGATOR

- under review Principles and Policies for the Ethical and Responsible Deployment of Artificial Intelligence by the Hong Kong SAR Government, Strategic Public Policy Research Scheme, Hong Kong Policy and Innovation Co-ordination Office, HKD3,600,000
- 2019-2022 Virtual Therapist Platform for Negative Emotion Detection, Monitoring and Intervention in Elderly People, Innovation and Technology Fund funded, HKD3,999,974
- 2011-2014 Precarious family formation: youth and population dynamics in Europe and Asia, KONE Foundation funded, £179,796. (KONE foundation, Population change research programme 2012-14)
- 2011-2012 Technical input [demography] into BP's Energy Sustainability Challenge (with focus on China), BP plc, £133,071

Honours & awards

- 2017 Social Science Research Prize, Shaanxi Province Ministry of Education, China
- 2015 Appointed Senior Fellow of Higher Education Academy, UK
- 2015 OxTALENT Award Winner (Application of Technology to Research and Impact), University of Oxford, UK
- 2015 Appointed Fellow of Royal Society of Arts, UK

2014 Outstanding International Impact Award Winner, UK Economic and Social Research Council, UK
2013 Appointed Fellow of Royal Geographical Society, UK
